Corporate Express Office Products, a supplier of office and computer products and services, has signed a long-term lease for 168,000 square feet at the Auburn North Distribution Center.

The center, now under construction by Panattoni Development, is located near the Highway 167 and S. 277th St. exit in Auburn.

The facility will comprise 110 high-dock doors. It is scheduled for completion in March.

Nearly 230,000 square feet remain available, according to The Andover Co., the leasing agent.
